Subject: AAA and CCTA Partnership to Enhance GoMentum Station

Dear Mr. Condon,

I am writing on behalf of the Contra Costa Transportation Authority (CCTA) Board and staff to express our deepest appreciation for the unwavering support and collaboration that AAA has provided in the growth of GoMentum Station. Since assuming responsibility for the management, coordination, financial accountability, and daily operations of GoMentum Station in 2018, AAA has played a pivotal role in its thriving success.

The continued development of GoMentum Station stands as a testament to AAA's dedication to our shared vision of safer streets and vehicles. We extend our heartfelt gratitude for being a trusted and reliable partner to CCTA and our testing partners throughout this journey.

Timothy Haile,
Executive Director

At CCTA, we recognize the immense value of collaboration, and we consider ourselves fortunate to have AAA as an ally in advancing our Connected Vehicle and Autonomous Vehicle (CV/AV) program. Our partnership exemplifies the positive impact of public-private collaboration, inspiring CCTA and others to think innovatively about addressing critical public needs.

Your organization's commitment to excellence and integrity aligns closely with our own values, and we believe it has been instrumental in the significant growth of GoMentum Station under your leadership. AAA's contribution to the development of a robust business plan for GoMentum Station has been invaluable, enhancing logistics and bolstering the station's reputation.

Through our collective efforts and collaboration, we have enhanced facilities, implemented cutting-edge technology, and expanded access to safe and secure testing opportunities for our partners. Much of this progress has been made possible through regional, state, and federal grants, which we pursued and obtained together, fueled by our strong relationship and shared vision.

As our partnership comes to a close, we wish to express our profound gratitude to AAA for its exceptional efforts and invaluable contributions to the legacy of

GoMentum Station. Your dedication and support have been instrumental in shaping its growth and success, and we are deeply grateful for your partnership.

Thank you once again for your commitment and collaboration.

Please feel free to reach out to Timothy Haile, Executive Director, at (925) 256-4735 or via email at thaile@ccta.net, if you have any questions.

Sincerely,

Newell Arnerich
