

**RESOLUTION 25-03-G**

RE: ALLOCATION OF TRANSPORTATION FUND FOR CLEAN AIR (TFCA) 40% FUNDS FOR FISCAL YEAR (FY) 2025-26

WHEREAS, Assembly Bill (AB) 434 (Chapter 807, Statutes of 1991), as amended by AB 414 (Chapter 950, Statutes of 1995), provides for the imposition of an additional vehicle registration fee to be used to reduce air pollution from motor vehicles and for related planning, monitoring, enforcement, and technical studies, as specified in the legislation; and

WHEREAS, the Bay Area Air Quality Management District (Air District) allocates this revenue through its TFCA program to fund eligible projects and programs. The statutory authority and requirements of the TFCA program are set forth in California Health and Safety Code (HSC) Sections 44241 and 44242; and

WHEREAS, existing law requires that 40% of the fee revenues, referred to as TFCA 40% funds (formerly known as County Program Manager funds), shall be allocated on a formula basis for projects and programs in each county within the Bay Area; and

WHEREAS, in each county one or more entities may be designated as the overall program manager for the county by resolution from a majority of cities/towns representing a majority of the population, and the county's Board of Supervisors; and

WHEREAS, the entities so designated shall be allocated the TFCA 40% funds for projects and programs pursuant to the adopting resolutions; and

WHEREAS, the Contra Costa Transportation Authority (Authority) has been designated as the Program Manager for Contra Costa County; and

WHEREAS, starting in 2024, the Air District changed the term "County Program Manger" to "Administering Agency".

NOW, THEREFORE, BE IT RESOLVED, that consistent with the adopting resolutions designating it as the Administering Agency, the Authority Board does hereby formally approve the application for the TFCA 40% funds for FY 2025-26 in an amount of \$1,988,906.

BE IT FURTHER RESOLVED, that the Authority Board finds that projects and programs funded with the TFCA 40% funds shall be used to implement Transportation Control Measures in the *Bay Area Clean Air Plan*, thereby furthering progress towards achieving the goals of the California Clean Air Act.

BE IT FURTHER RESOLVED, that any expenditures of TFCA funds shall be consistent with the *Bay Area Clean Air Plan*, and Section 44241(b)(1) of the California Health and Safety Code.

This resolution was entered into at a meeting of the Contra Costa Transportation Authority Board held February 19, 2025 in Walnut Creek, California by the following vote:
